BNA SURVEY

Making the BNA even better...

We wish to make some changes within the BNA in an effort to strengthen and improve our organization. This can only be made possible through the inclusion of our members in the process. We would like to create a survey to obtain vital information from our membership in order to ensure that we are meeting the needs of our members. Stay tuned for the survey and please participate. We can only make a difference with you.

If you wish to make a comments or suggestion please send us an email at info@bna.bm. Your feedback is important.
